Tube Stock list - Email: <a href="mailto:peteshobbynursery@iprimus.com.au">peteshobbynursery@iprimus.com.au</a>				RS = Ready Soon
Tube stock \$2.00 per tube, discounts for full trays (50)				
Scientific name	Common name	R	RS	Comments
Acacia aneura	Mulga			A dryland Wattle to 8m
Acacia baeuerlenii				White fluffy flowers to 4m
Acacia concurrens	Caracabah			Yellow rod-like flowers to 8m
Acacia conferta	Cluster-leaf wattle			Pale yellow fluffy flowers, to 4m
Acacia cretata				Small tree to 8m, yellow rod-like flowers
Acacia deanei	Deans wattle		50	Ferny foliage, cream fluffy flowers, 6m
Acacia decora	Pretty wattle		16	
Acacia disparrima	Hickory wattle			Pale yellow rod-like flowers to 15m
Acacia falcata	Falcate wattle			Sickle shaped leaves, pale yellow fluffy flowers to 4m
Acacia fasciculifera	Rosewood wattle			Large groups of pale yellow fluffy flowers, Scaly bark, large tree to 20m
Acacia fimbriata	Brisbane wattle		50	Fine foliage, pale yellow fluffy flowers, varies in height in different site, 4m to 8m
Acacia glaucocarpa	Ferny wattle			Ferny foliage, pale yellow fluffy flowers, to 6m
Acacia grandifolia				<b>Rare</b> , Yellow rod-like flowers, to 8m
Acacia harpophylla	Brigalow			Large tree to 25m, yellow fluffy flowers
Acacia hemsleyi	A wattle			Shreddy bark, yellow rod-like flowers
Acacia holosericea	Strap wattle			Large broad silver leaves, yellow rod-like flowers, 3-4m
Acacia jucunda	Yetman Wattle		50	Erect or spreading tree or shrub 2.5–8 m high, yellow rod-like flowers
Acacia juncifolia	Needle-leaf wattle			Needle like foliage, yellow rod-like flowers, 2m
Acacia leiocalyx	Early flowering wattle	41	50	Yellow rod-like flowers, tree to 8m
Acacia maidenii	Maidens wattle	7	100	Pale rod-like flowers, up to 15m
Acacia melanoxydon	Blackwood Wattle	8		Pale fluffy flowers tree to 15m
Acacia muellerana	Mueller's wattle			Fine dark green foliage, pale yellow fluffy flowers
Acacia neriifolia	Oleander wattle			Yellow fluffy flowers, to 8m
Acacia podalyriifolia	Silver wattle			
Acacia salicina	Sally Wattle		44	Weeping tree to 15m, pale fluffy flowers
Acacia semilunata	Golden top wattle		50	
Acacia spectabilis	Glory wattle			Small grey leaflets, large golden display of fluffy flowers
Acalypha capillipes	Small-leaf acalypha			Understorey shrub RF, small leaves
Acalypha eremorum	Soft leaf Acalypha	35		
Acmena smithii	Lilly Pilly			RF/creek dwelling shapely tree, edible red fruits, to 10m
Acronychia acidula				
Agathis robusta	Kauri Pine			Large shapely pine with broad leaves, new growth pink, small cones, large to 30m
Alchornea ilicifolia	Native Holly	10		RF small holly leaved shrub to 3m

<i>Allocasuarina littoralis</i>	Black she-oak	40		Dark hard trunk, needle-like leaves, 6m
<i>Allocasuarina torulosa</i>	Forest she-oak	60		Corky bark, needle-like leaves, attracts Glossy black cockatoos, to 10m
<i>Alphitonia excelsa</i>	Red Ash, soap tree	62		Dark green leaves white under leaf used as a soap by indigenous peoples, bird attracting fruits, 8m
<i>Alpinia caerulea</i>	Native ginger			Leaves come off a central cane, flowers terminally. Leaves were used to cook meat in, root tips and fruits are edible,
<i>Alstonia constricta</i>	Bitter bark			Small tree in forest country to 3m, in RF 20m, white flowers, followed by papery pods
<i>Angophora floribunda</i>	Rough barked apple			Tree to 20m, rough bark, opposite leaves
<i>Araucaria bidwillii</i>	Bunya Pine	210		Large tree to 20m, prickly foliage, and large cones to 40cm, edible nuts
<i>Araucaria cunninghamii</i>	Hoop Pine			Large tree to 20m, stiff foliage, cones to 10cm
<i>Argyrodendron trifoliolatum</i>	White Booyong			Leaves in 3s, silver underneath, white flowers, RF tree to 20m
<i>Atalaya salicifolia</i>	Brush Whitewood	40		Strappy leaved RF tree to 10m, white flowers, followed by helicopter leaves
<i>Atractocarpus fitzalanii</i>	Brown Gardenia			Shapely RF tree to 6m, white flowers followed by large edible fruits to 8cm.
<i>Auranticarpa rhombifolia</i>	Diamond Hollywood			White flowers, orange fruit
<i>Austromyrtus dulcis</i>	Midgen Berry	110		White flowers, edible cream spotty fruits
<i>Babingtonia similis</i>	Twiggy myrtle			White flowers
<i>Backhousia myrtifolia</i>	Grey myrtle			Pale yellow flowers, aromatic foliage
<i>Blepharocarya involucrigera</i>	Rose butternut			
<i>Brachychiton acerifolius</i>	Flame Tree	60		Red flowers
<i>Brachychiton bidwillii</i>	Little Kurrajong	40		Red flowers
<i>Brachychiton discolor</i>	Lacebark			Pink flowers
<i>Brachychiton populneus</i>	Kurrajong	60		Green flowers
<i>Brachychiton rupestris</i>	Qld Bottle Tree			Cream flowers
<i>Breynia oblongifolia</i>	Coffee bush	10		
<i>Buckinghamia celsissima</i>	Ivory Curl			Large white flowers
<i>Bursaria incana</i>	Prickly pine			Sprays of white flowers
<i>Bursaria spinosa</i>	Blackthorn			Sprays of white flowers
<i>Callitris baileyi</i>	Baileys cypress pine			<b>Rare</b>
<i>Carex adpressa</i>	Cut sedge			
<i>Carissa ovata</i>	Currant bush			Scented white star shaped flowers
<i>Cassia brewsteri</i>	Leichhardt Bean	10		Large sprays of yellow and maroon flowers
<i>Cassia tomentella</i>	Scrub Cassia			Large sprays of yellow flowers
<i>Castanospermum</i>	Black Bean			Yellow and red pea flowers, large pods

australe				
Casuarina cristata	Belah	47		Fine foliage, food tree for the Glossy black cockatoo
Casuarina cunninghamiana	River She Oak	41		Fine foliage
Casuarina glauca	Swamp She Oak	50		Fine foliage, can take salty ground
<b>Scientific Name</b>	<b>Common Name</b>		<b>RS</b>	<b>Description</b>
Cissus antarctica	Native grape			Black fruits
Clerodendrum floribundum	Smooth Lolly Bush			White flowers, and colourful fruits
Corymbia citriodora subsp. citriodora	Lemon-scented gum	20		White flowers, aromatic lemon scented leaves
Corymbia citriodora subsp. variegata	Spotted gum			White flowers
Corymbia tessellaris	Moreton Bay Ash			White flowers, half bark
Crinum pedunculatum	River Lily			Large white flowers, strappy leaves
Cryptocarya micronera	Murrogun			
Cullen tenex	Crows foot			
Cupaniopsis anacardioides	Tuckeroo			Orange fruits
Cupaniopsis parvifolia	Small Leaved Tuckeroo		30	Orange fruits
Cymbopogon refractus	Barbwire Grass			Spherical white and reddish fluffy flowers, black fruits
Dianella brevipedunculata	Bent-leaf flax lily			Pale blue and yellow flowers, blue fruits
Dianella caerulea	Blue flax lily	412		Pale blue and yellow flowers, blue fruits
Dissilaria baloghioides	Lancewood			
Dodonaea triquetra	Forest Hop Bush	66		
Dodonaea viscosa	Sticky Hop Bush	100		
Doryanthes palmeri	Giant Spear Lily	50		Large flower spike with large red flowers
Dysoxylum gaudichaudianum	Ivory Mahogany			
Dysoxylum mollissimum	Red bean			
Dysoxylum parasiticum	Yellow Mahogany			
Elaeocarpus grandis	Blue quandong			White bell shaped flowers, blue fruits
Eremophila debilis	Winter apple			Prostrate plants, with white or mauve flowers, and edible small red fruits
Erythrina numerosa	Pine Mountain Coral Tree	13		RF tree Prickly upper branches, large red and yellow pea flowers, been black with red seeds
Erythrina vespertilia	Batswing Coral Tree	29		Forest tree Prickly upper branches, large red pea flowers, been black with red seeds
Eucalyptus crebra	Narrow-leaved ironbark	47		White flowers
Eucalyptus curtsii	Plunket Mallee			<b>Rare</b>
Eucalyptus	Silver-leaved ironbark			White flowers, grey leaves

melanophloia				
Eucalyptus microcorys	Tallow wood	26		
Eucalyptus moluccana	Grey Box	50		
Eucalyptus robusta	Swamp mahogany	245		
Eucalyptus tereticornis	Qld blue gum	70		
Eugenia reinwartiana	Beach Cherry			
Ficus coronata	Sandpaper Fig	130		
Ficus opposita	Sandpaper Fig			
Ficus rubiginosa	Small-leaved Moreton Bay Fig	45		
Flindersia australis	Crow's Ash	200		
Flindersia collina	Leopard Ash			
Flindersia schottiana	Bumpy Ash	50		
Flindersia xanthoxyla	Yellow Ash	110		
Glochidion ferdinandi	Cheese tree			
Glycosmis trifoliata	Pine lime			
Goodenia ovata	Hop Goodenia			
Gossia bidwillii	Python Tree			
Grevillea baileyana	White Oak	80		
Grevillea robusta	Silky Oak	281		
Grewia latifolia	Dogs balls			
Hakea actites	Wallum Hakea			
Hardenbergia violacea	Sarsaparilla vine	10		
Harnieria hygrophiloides	White Harnieria			
Harpullia hillii	Blunt-leaved tulipwood	45		
Harpullia pendula	Tulipwood	83	20	
Hernandia bivalvis	Grease nut tree			
Hippocratea barbata	Knot vine			
Hymenosporum flavum	Native frangipani	123		White flowers age to yellow, highly perfumed
Hypostes floribunda	Native hypoestes	21		Purple flowers
Indigofera australis	Native indigo	45		Purple flowers
Jagera pseudorhus	Foam bark	45		
Lagerstroemia archeriana	Native crepe myrtle			Mauve flowers
Leptospermum brachyandrum	Weeping tea-tree			Stringy bark
Leptospermum polygalifolium	Tantoon, wild may	15		Creekside grower
Lomandra banksii	Northern mat rush	50	50	1m high, strap- like plant,creekside grower, water features
Lomandra hystrix	Creek mat rush	350		
Lomandra longifolia	Creek mat rush	940		
Lomandra multiflora	Many-flowered mat rush			
Lophostemon confertus	Brush Box	70		White flowers

Lophostemon suaveolens	Swamp box			White flowers
Mallotus claoxyloides	Smell of the Bush			Pale yellow flowers, strong smell from oil glands
Mallotus philippensis	Red Kamala			Pale yellow flowers, red seed capsules
Melaleuca formosa	White Bottle brush			White bottle brush flowers, bird attracting
Melaleuca bracteata	Black tea-tree	500		
Melaleuca irbyana	Small Leaved Tea Tree	103		<b>Rare</b>
Melaleuca nodosa	Prickly-leaved Paperbark			
Melaleuca pachyphylla	Red Wallum Bottlebrush			
Melaleuca pachyphylla-	Pink Wallum Bottlebrush			
Melaleuca pachyphylla-	Green Wallum Bottlebrush			
Melaleuca pallida	Lemon Bottlebrush			
Melaleuca polandii	Red bottlebrush	4		
Melaleuca quinquinervia	Broad-leaved paperbark	30		
Melaleuca recurva	Tinaroo bottle brush			
Melaleuca salignus	Paperbark bottle brush			
Melaleuca Tinnaroo Dazzler	Tinnaroo Dazzler			
Melaleuca viminalis	Creek bottle brush	30		
Melaleuca viridiflora	Broad-leaved bottlbrush			
Melaleuca williamsii (Callistemon pungens)	Bottle brush			
Melia azedarach	White Cedar	45		
Morinda jasminoides	Morinda vine			
Myoporum acuminatum	Water bush			
Myoporum ellipticum	Creeping boobialla			
Myoporum montanum	Water bush			
Myoporum montanum prostate	Creeping water bush	46		
Olearia canescens	Scrub daisy			
Olearia epiloptica	Shiny daisy bush			
Ozothamnus diosmifolius	White Rice flower			
Ozothamnus diotophyllus	Yellow wild flower	25		
Parachidendron pruinosum	Snow Wood			
Pavetta australiensis	Butterfly bush			Red fruited shrub
Petalostigma triloculare	Quinine bush			Beautiful rusty hairy new growth
Pipturus argentea	Mulberry			

<i>Pittosporum angustifolium</i>	Gumbi Gumbi			Used as a medicine tree
<i>Pittosporum ferrugineum</i>	Rusty pittosporum			
<i>Pittosporum revolutum</i>	Hairy pittosporum			
<i>Pittosporum undulatum</i>	Sweet pittosporum			4m high prickly shrub, great for birds
<i>Pittosporum viscidum</i>	Birds nest bush			
<i>Planchonella australis</i>	Black plum			Sort after edible fruits
<i>Planchonella eerwah</i>	Flinders Plum			Creeping plumbago, good ground cover in shade or part shade
<i>Planchonella pohlmaniana</i>		40		
<i>Pleiogynium timorense</i>	Burdekin plum			Nice landscaping grass
<i>Plumbago zeylanica</i>	Native Plumbago			A shorter tussock grass
<i>Poa labillardierei</i>	Large Tussock Grass			
<i>Poa siberiana</i>	Snow Grass			
<i>Pseuderanthemum tenellum</i>	Tall love flower			
<i>Pseuderanthemum variabile</i>	Love flower			Large orange size fruit, edible when ripe
<i>Rhodosphaera rhodanthema</i>	Deep Yellow Wood	50		Flow sprays red, and Maltesers type bunched of hard fruits
<i>Sarcopteryx stipata</i>	Corduroy tree			
<i>Sophora fraseri</i>	Scrub sophora			<b>Rare</b> – small shrub to 1m, many leaflets and yellow pea flowers
<i>Sophora tomentosa</i>	Beach sophora			3m silver leaved shrub with yellow pea flowers
<i>Stenocarpus sinuatus</i>	Wheel of Fire	50		Spectacular tree in flower, red wheel-like flowers
<i>Sterculia quadrifida</i>	Peanut tree			Large orange fruits with edible black seeds after roasting
<i>Streblus brunonianus</i>	Whalebone tree			
<i>Syzygium australe</i>	Creek Cherry			Small tree to 8m, edible red fruits
<i>Syzygium cormiflorum</i>	Bumpy Satin ash			Fruits are technically edible although they are not particularly palatable, flowers and fruiting occurs off the trunk and branches
<i>Syzygium wilsonii</i> subsp. <i>cryptophlebium</i>	Plum Satinash, white powderpuff Lilly pilly			White flowers
<i>Syzygium francisii</i>	Water gum			Edible purple fruits
<i>Syzygium luehmannii</i>	Riberry		50	Tasty lemon flavoured fruits.
<i>Syzygium moorei</i>	Coolamon			Tasty blue fruits
<i>Syzygium oleosum</i>	Blue Lilly Pilly	296		Fluffy red/pink flowers off the trunk with edible white fruit
<i>Syzygium wilsonii</i>	Powderpuff Lilly Pilly			Edible small white fruits
<i>Theilionema umbellata</i>	Lemon flax lily	2		
<i>Themeda triandra</i>	Kangaroo Grass			Kangaroo grass
<i>Toechima tenax</i>	Brush Teak			
<i>Toona ciliata</i>	Red Cedar	46		Bright red new growth, one very sort

				after as a timber tree
Tristaniopsis laurina	Water gum			Creek dweller, small groups of yellow flowers
Xanthorrhoea johnsonii	Grass tree			Bird and insect attracting flowers
